PRINCIPAL'S POINTS:

December 5, 2019

Dear ASCS Families,

I hope that your first week of Advent has been reflective and holy. The students are working hard in preparation for Wednesday's (12/11) Lessons and Carols prayer service which begins at 6:30pm in the church. Students should arrive to their classrooms between 6:00-6:15pm. Student dress code is Christmas best – tops must have sleeves (no bare shoulders). Kindly take your child/ren's coats with you, as we will not return to the classrooms after the performance. PTO is hosting cookies afterward!

NOTE: All K-8 students are required to attend and participate in Lessons and Carols as part of their music curriculum and grade.

Thursday (12/12) is a scheduled 2-Hour Delay. We will offer morning care service for \$5 per student, beginning at 7:30am.

The cold weather definitely has arrived, and students have been reminded that we will go outside for recess if the temperature (w/ windchill) is 20° or higher and to be sure they wear hats, gloves, and appropriate coverage. Make sure that all clothing is labeled, as lost hats, scarves and mittens are quite common. Girls may wear plain black leggings under their skirts, and may bring flannel pants to wear underneath during recess.

Santa's Workshop is open on Monday, (12/16) so that students may shop for their families. Be sure to help your child prepare by making a list with them noting any spending limits and enough money for their purchases. Thanks to Mrs. Sue Bruning for her hard work and excellent planning and shopping skills, and to all of our volunteers who make this wonderful event available for our students.

Today marks the midterm of the second quarter, so be sure to sit down with your students and discuss their progress and help them set goals to stay focused during this busy and distracting time of year.

Have a wonderful weekend with your families, and be sure to make time for weekend church services.

God Bless,

Mrs. Teri Fischer

This quarter's life skill topic is problem solving. Problem solving is a much needed skill that is relied on heavily through out a regular school day. Students use it when deciding which homework to complete first, when they have a disagreement with a friend, or when they feel overwhelmed with their emotions. One tool that I have found to be quite useful is a relax bottle or glitter jar. It can be used as a timer for a student that needs to limit their time when making a decision or also when a student needs a break to help change their mindset. Here is the link to the recipe that I have found to be the most reliable.

Mark your calendar for All Saints' Santa Shop on Monday December 16. Envelopes will be sent home with students next week. Now is a great time to discuss with your child how to set a shopping budget. Discuss who to shop for and how much money to spend on each gift. Items range from \$1 - \$10.

Volunteer opportunities (service hours!) are still available for set up on Sunday December 15 (12pm-3pm) as well as during Santa Shop on Monday December 16 (7:45am - 2:30pm). Sign up for morning or afternoon shift, or stay for both! Check out our page on SignUpGenius.com or contact Sue Bruning at bruningfamily@yahoo.com or 567.202.3525 for additional information.

We are also looking for donations. The following items can be dropped off in the school office anytime. You earn one service hour for each donation valued at \$10.

- Gift wrap and tags
- Gift boxes and bags
- Tissue paper
- Bows and ribbon
- Paper/plastic shopping bags with handles
- Plastic storage totes

Our BINGO ministry is in GREAT need of volunteers to help run the weekly Thursday night event. Bingo requires about 30 people each week to run smoothly and fully profit. With new volunteers this could be a simple monthly commitment AND fulfill your required Service Hours, which are a part of your tuition agreement in taking the Parishioner/Non-Parishioner discount. Won't you please help keep this ministry afloat, as it provides support to our school and parish. Thank you!

Contact Mr. John Stvartak for details on volunteering at 419-466-0731
