Dear ASCS Families,

We have been enjoying the nice weather. We're thankful for the beautiful fall days, and to be outdoors for learning and recess. The year continues to go well, and we continue to enjoy being in school for learning, praying and playing together!

Drop-Off and Pick-Up continues to go well, but I do notice a few little reminders:

- Lane A families: In the morning when you drop your child/ren, if the adult needs to get out the vehicle, they should be using the inside lane so that the curb lane is not slowed-up.
- Lane A families: Kindly pull up all the way to the front of the curb lane, as we have times where we have cars backed up on Lime City Road.
- End-of-day pick-up, if you see that cars are lined up in the inside lane and beginning to back-up onto Lime City Road, please use the curb lane to alleviate the back-up.

As we move further into the school year, we are working to keep as many special events such as Grandparent's Day, Halloween, etc. for the kids and families to enjoy. We are working to be creatively COVID-19 conscience, but obviously will need to make some changes and/or cancel some of our annual events. We will keep you updated as plans for these activities evolve. Please note that we have removed "Blessing of Pets" from the school calendar as there is no way to social distance with the whole school, but the parish will have a blessing on Sunday, October 6.

The new All Saints Daily Draw begins on October 1, and many of you have been doing a great job of selling and turning your tickets in! However, there are still many who have not turned anything in as of today. **All ASDD tickets must be sold and turned in on or before November 1. Our first BIG draw, which is for \$1,500, is on November 1.** We rely on the income from this fundraiser as part of our general operating funds, and it's especially needed this year. Thank you for doing your part, and helping to keep the cost of tuition down!

In closing, today I was reminded of what wonderful students we have here at ASCS. Our fourth and fifth grade students were outside for recess playing on the soccer and baseball fields as a funeral procession went by. As I watched the hearse, then looked towards the kids, they had all stopped playing and knelt down until the procession had passed. It was such a sweet and touching moment.

Thanks for sharing your wonderful children with us! Enjoy your weekend with your families.

God bless,
Mrs. Teri Fischer
